Instructions for Payer/Borrower

A person (including a financial institution, a governmental unit, and a cooperative housing corporation) who is engaged in a trade or business and, in the course of such trade or business, received from you at least \$600 of mortgage interest (including certain points) on any one mortgage in the calendar year must furnish this statement to you.

If you received this statement as the payer of record on a mortgage on which there are other borrowers entitled to a deduction for the interest and points shown on this form, please furnish each of the other borrowers with information about the proper distribution of these amounts. Each borrower is entitled to deduct only the amount he or she paid that represents his or her share of the amount allowable as a deduction for mortgage interest and points.

If your mortgage payments were subsidized by a government agency, you may not be able to deduct the amount of the subsidy.

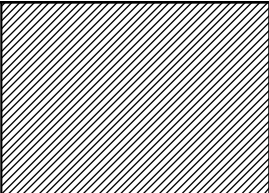

Box 1.—Shows the mortgage interest received by the interest recipient during the year. This amount includes interest on any obligation secured by real property, including a home equity, line of credit, or credit card loan. This amount does not include

points, government subsidy payments, or seller payments on a "buy-down" mortgage. Such amounts are deductible by you only in certain circumstances. **Caution:** *If you prepaid interest in 1992 that accrued in full by January 15, 1993, this prepaid interest may be included in Box 1. However, even though the prepaid amount may be included in Box 1, you cannot deduct the prepaid amount in 1992.* For more information, see **Pub. 936**, Home Mortgage Interest Deduction. If you can claim the mortgage interest credit, see **Form 8396**, Mortgage Interest Credit. If the interest was paid on a mortgage, home equity, line of credit, or credit card loan secured by your personal residence, you may be subject to a deduction limitation as explained in the instructions for **Schedule A (Form 1040)**.

Box 2.—Shows points you paid directly this year for the purchase of a principal residence. Generally, these points are fully deductible in the year paid. Other points not reported in this box may be deductible. See Pub. 936. Also see your Form 1040 instructions.

Box 3.—This box is for use by the interest recipient to furnish other information to you, such as real estate taxes or insurance paid from escrow.
